DENTAL PRACTICE GETS AN A+ CHECK-UP

6 Day Dental and Orthodontics Again Receives Better Business Bureau's Highest Rating

DALLAS (Jan. 15, 2010) – 6 Day Dental and Orthodontics, a Coppell-based dental company founded by Dr. John Bond in 1989, today announced it's A+ rating with the Better Business Bureau (BBB) of Dallas, held since January 2003. BBB assigns grades from A to F with pluses and minuses, and 6 Day has continued to achieve its highest mark. The grade represents BBB's degree of confidence that a business is operating in a trustworthy manner and makes a good faith effort to resolve any customer concerns.

"We are very proud of our employees at our five North Texas locations. It is pride in their work and care for our patients that have earned 6 Day this rating," said Dr. John Bond, Founder of 6 Day. *"It has always been our honor to serve all of our patients, and if doing a good job with our patients earns 6 Day an A+ rating from the Better Business Bureau, then that's terrific."*
