Smiles Abound at 6 Day Dental & Orthodontics as Patients Deliver Toys for Tots

Join 6 Day Dental & Orthodontics to help make the holiday season brighter for
disadvantaged families

DALLAS – 6 Day Dental & Orthodontics (www.6daydental.com) is very excited about being involved as an active supporter of the Toys for Tots program in the Dallas/Fort Worth Metroplex. From now through December 14, area residents are encouraged to bring new, unwrapped toys for children ages 2 - 12 to any 6 Day location.

"Our plan at 6 Day is to collect and supply as many toys for local children as we can," said Dr. John Bond, 6 Day founder and CEO. "We know it's been a tough time for more people than ever before and we certainly appreciate anything they can do to help the neediest in our community have a better holiday."

Public support of Toys for Tots in the Dallas/Fort Worth Metroplex has traditionally been an outpouring of contributions through many toy collection sites, and continued support is expected again in 2009. Said Dr. Bond, "We hope to make it easier for our patients to participate, as well as people in the community. Patients can simply bring a toy with them to their appointment and drop it off, and with our five convenient

locations, we are making it easier for everyone to help someone in need this holiday season. We are also encouraging our employees to donate toys, to make the overall donation from 6 Day one we can all be proud of.”

6 Day has five locations to make drop-off easy and convenient, including in Allen at 1205 W. McDermott Rd. (214/778-1900); Coppell at 120 S. Denton Tap Rd. (972/393-7348); Flower Mound at 6050 Long Prairie Rd. (972/316-6320); Plano/Frisco at 8608 Preston Rd. (214/619-6329); and Roanoke/Keller at 200 East State Hwy. 114 (817/567-8040). 6 Day locations are open Monday – Friday, 7 a.m. to 7 p.m., and every Saturday, 8 a.m. to 3 p.m.
