Dentist brightens classrooms

6 Day Dental & Orthodontics recently rallied its employees, including some at the Coppell location, to collect supplies for area schools. Together, the offices gathered enough supplies to donate a classroom's worth of supplies to five elementary schools. "We're very proud of our employees for making the extra effort to help area schools and glad to make such a contribution," said Dr. John Bond, founder and CEO of 6 Day. Molar Man, the 6 Day mascot, made stops at each of the schools to deliver the supplies and greet kids.
